Mathy and Betsaida, here is the latest R3 and OEM writeup, reflecting discussions with the Administrator and ATSDR releasing their report. Let me know of any changes etc, and I can work with the Region. Thanks.

Dana , here's a final version of the statements as a follow-up to this afternoon's calls. As we discussed you will be sending this thru to Mathy and Betsaida for final review and approval. Our goal would be to have this finalized for use Monday morning. Thanks to you and everyone for their help on this. dennis.
